

FORMULA DRIFT JAPAN Spotter's Agreement

May 18(Sat)-19(Sun), 2019 - Suzuka twin Circuit

I, (Spotter Name) _____ will pledge to accept all of the agreement mentioned below.

I am aware that motorsports can be dangerous. I will be fully responsible and be completely exempt for any indemnity for the death, injury, and any other accident that happens on myself during the FORMULA DRIFT JAPAN ("the event") hosted by MSC Co. ("the organizer") as I will not hold the organizer responsible for any type of damages.

This agreement will stand even when the accident was caused by the mistake of the organizer, contractor, circuit, or other drivers.

When there is a collision between cars, each driver will be fully responsible for repairing their own vehicles without any damage claims made toward the other involved drivers.

I will be fully responsible for any damage caused, due to my own fault, to the facility, equipment, or vehicles on site.

FORMULA DRIFT JAPAN will be providing the extreme footage taken by drones for the entertainment of both the spectators and LiveStream viewers. The drones will make the best attempt to keep a safe distance from each competition vehicles. However, even when the drones accidentally make a contact with competition vehicles or intervene with driver's field of view, the parties involved must pledge to not take any action to seek liability and discharge all claims and damages, if any, on FORMULA DRIFT JAPAN. The purpose of drone filming is to provide the most exciting footage for the fans all over the world and thus we need the cooperation from all teams and drivers.

I understand that the organizer will have the authority during the event and I will promise to always follow their instructions and rules.

FORMULA DRIFT JAPAN pit spaces are open to the public so that the fans can get very close to their favorite drivers and teams. Whenever there are possible hazardous situations, such as warming up the powertrain with the rotating rear tires jacked up in the air, there must be at least one team staff to keep the spectators away to a safe distance with cone barriers to prevent any possible accidents.

Also, each teams will be provided with 2 to 3 whistles to warn the spectators whenever a car is coming in or out of the pit area.

Circuit environment is not 100% safe. To ensure the safe progress of the event, please make sure to follow all of the event rules and regulations. You must obey all signs at the event including the restricted areas.

When drivers or team members are found to be breaking the rules, the team maybe subjected to penalty on driver's championship points. The details of penalty will be discussed between FDJ and FD.

Team manager is responsible for all team members including the team photographers. All teams must agree to the given penalty when they are found at fault of breaking the rules or regulations of the event.

I will release the right to use the photo and video of myself, my team members, campaign girls, and my vehicle during the event to be used for TV programs (J SPORTS 3/MOTOR GAMES), websites, mobile portal, paper media, DVD sales, photo&video used for promotion purposes, and any other medias operated by the organizer.

Spectators or any members who attended FORMULA DRIFT JAPAN events with the complimentary ticket provided to each teams will be under the same agreement as each team members that their images taken at the events are authorized to be used in our websites, mobile sites, medium documents, magazines and newspaper, on-sale DVDs, promotional images and videos.

Personal information is required to complete the agreement and it will be only used for contacting the participant with updated information from MSC/FORMULA DRIFT JAPAN. The information will not be released to a third party without consent.
